

Ratpack Archers
Newsletter
April 2016

There are now numbers out on both Green and Blue Courses. Not only do these numbers show you what peg you are on, they can be used to report problems and faults on that target through the new fault reporting page on the clubs website. Red Course will be done as soon as it has been re-designed.

Thanks to all those who turned up for the AGM. Your new committee members are:
Gary Snook – Chairman
Andy Millard – Treasurer
Peter Parker – Secretary
Ken Lewry – Executive Officer
Their contact details are on the club website

Membership is currently down for this year, mainly due to people not having yet paid their subs that were due on the 1st April.
Remember – no membership – no shooting

We will shortly be putting up a shed by the containers. It will have a combi lock, the number of which will be emailed to members. This is so you can put any equipment you do not require when you are shooting in there for safety

I am hoping to put out a newsletter every two months, so keep an eye on the website. If you have anything you wish included into the newsletter, please contact me.
Peter
