

Ratpack Archers Newsletter April 2018

We will shortly be putting dormouse and bat boxes out on the Green course. Please do not open them to see what is inside. Unless you are licensed it is illegal to touch them.

If you have not paid your NFAS and Ratpack subs by Saturday 31st March you are **NOT allowed to shoot until you have done so. So far only just over 50% of last years membership have paid.**

Ever heard of a "headless horseman"? Well this is what it looks like. Shoot it on Red 1

Thanks to the 8 members who turned up for the maintenance day last Sunday.

The new direction arrows are out on Red and Blue (Green had already been done)

Some target faces have been replaced and new targets put out. The sack has been replaced by a more substantial one.

The green members shed has finally been emptied of all the spare foam blocks.

The committee is aware of the new "General Data Protection Regulation" due to come into effect on the 25th May 2018. We will publish a statement as soon as we receive instructions from NFAS

Reminder that ALL courses are closed on Friday 11th May

This target has been moved and is now shot from the top of the bank on Blue. - Best of luck hitting it.
