The Oystercatcher
Yapton Road, Climping, BN17 5RU**

You will be sent the Agenda and last years minutes during the first week in February

Remember, if you wish to pay your Ratpack subs at the AGM, you MUST have your 2020/2021 NFAS card with you.

We do appreciate that targets and backstops get broken / damaged at times. If you notice that something is broken or damaged, please let a committee member know. You can either contact them direct, or leave a note stating course and target number on the dry wipe board. That way we can fix them as soon as possible.

You may have noticed that the horse has disappeared – it has been changed to a duck ??

**Sunday 16th February
Last round of this years Club Champs
It is a Woodsman round, 30 Targets shot over the Blue and Green Courses
Be there at 0930 so we can start shooting at 1000**

When you are shooting the Blue course and get to target 10 (Head, Cobra, Pig) please look left and check that the gate out onto the A27 is closed. During last summer it was left open and a deer wandered through it out onto the the road and was killed by a car. If it is open, please close it.

**Raven Field Archers have cancelled their shoot for the weekend of 9 – 10 May
They do not expect to hold any other shoots during 2020
See their website for more details.**
